

Ref. Comments

- 2** Do something to improve the Warina site
- 3** The city centres cultural and retail offering clearly needs attention - but in doing so it will be important not to overlook the contribution which office based employment can make to the centre's economic vitality.
- 4** Need to identify why cities such as Bath have demonstrated an ongoing quality while Milton Keynes more recently designed lack the class and feel good environment.
- 5** We need to up the artistic profile of the city. To compete and to attract new viable businesses and staff. We cannot continue as the cheap capital of the country. Need strong business - look at Milton Keynes and type of businesses.
- 6** Good effort re Christmas attractions but the ice rink looks more fun fair than Victorian England and too enclosed.
- 7** We are in danger of losing the balance between commercial interests and aesthetic environmental standards in the city
- 9** Queensgate has been ruined, the stalls make it look very untidy and the lovely water features are a great loss. Also the Christmas decorations are rubbish once again.
- 11** Make Christmas lights better. Expensive
- 13** Need another good quality department store or Westgate Shopping Centre to improve.
- 14** Difficult to get through town - pedestrian and cycle diversion. Really safe cycle store. Improved arts
- 15** Like Peterborough, chose to settle here. Bigger shops have moved out of City Centre - Matalan. Needs Debenhams. River not connected. POSH out of town.
- 16** Council doing good job
- 17** Parking, kerbs, access with cars from road to houses
- 18** Small stalls clutter streets. Access to river from Smethwick. Cultural facilities in the city centre - cinemas etc. Cars and pedestrian clear definition.
- 19** Better housing across city - especially social housing. Buses into Peterborough
- 20** Improve public transport. Reduce car use/car parks
- 21** Improve bus services
- 22** Need to leave a legacy for young people of Peterborough
- 23** Walking around Peterborough at night makes me feel unsafe and car parks are too far from centre with poor lighting / deserted.
- 24** Develop River Nene Area - Between railway bridge and dual carriageway
- 25** Need more events and entertainment to attract more people to the city.
- 26** Invite Steve Bowyer and Opportunity Peterborough staff to Eco-arts allotment at Dogsthorpe Road allotments
- 27** Number of good safe cycle routes, number of high quality open spaces - e.g. ferry meadows and Nene Corridor. Public facilities are generally good. River in the city centre should be improved, problems with litter and graffiti
- 28** When Westgate development and M&S move think that Bridge Street will deteriorate
- 29** Improved public transport and incentives to get rid of vehicle traffic. More residential development. No new shops, improve what we've got. Riverside and its economy.
- 31** Increase pedestrianisation and reduce access for private cars
- 32** Do we need fast food kiosks in city centre?
- 33** Road infrastructure needs upgrading to improve traffic flow
- 34** Improve underpasses / legibility of city centre is poor
- 35** Reintroduce use of bus services / remove car parks from city centre / all same chain shops - nothing unique / city centre transport, e.g. tram to improve access
- 36** Trees along Bourges Boulevard
- 37** Shopping centre functions poorly / pavements need improving / more facilities for mothers and kids
- 38** Best council in Britain
- 39** Improve landscaping in existing industrial areas
- 41** Litter problem in the city centre
- 42** Town is easy to shop in / architecturally poor
- 43** 0
- 44** Nightlife is too geared to young people
- 45** Require another department store - Debenhams
- 46** Covers over bridge Street
- 47** more police on foot / too much anti-social behaviour

- 50** Peterborough needs a radio car track
- 51** Improve safety and policing
- 52** New tall buildings
- 53** Where will post office be relocated to? Difficult to park around church on Sunday mornings
- 54** Public access and permeability of streets need to be improved; North Westgate development does not aid this.
- 58** Build on historic aspect of city
- 60** Better control of anti-social behaviour / street entertainment
- 61** Urgent need for Westgate / Queensgate to be finished and city centre to be modernised
- 62** More cycle facilities
- 63** Improved quality architecture / poor quality shopping means people go to alternative centres - Stanford, Kings Lynn, Nottingham, Ely.
- 64** Use upper floors of shop units for residential
- 71** Improve quality of pedestrian surfaces /
- 73** Remove 60s and 70s buildings / international trade markets
- 74** Improve land next to river
- 75** Congestion at Bourges Boulevard / More police
- 78** Improve skills base and improve environmental quality
- 79** Old buildings are run down
- 80** Popular with commuters
- 82** Ice rink ruins look of Guildhall
- 84** Require large city map in city centre /
- 87** Make short videos of views of the city for promotion
- 88** Develop an organisation that promotes urban initiatives
- 89** Too many low skilled jobs
- 90** Bourges Boulevard is a barrier to accessing city on foot and cycle / better city centre bus services / more sports facilities in city centre / country cricket ground / reduce car traffic in city centre
- 92** Roads limit the expansion of city centre - Bourges Boulevard / Want architectural competition for housing and open space design- develop on embankment with new iconic bridge on human scale with new greenspaces
- 94** Buskers noisy and annoy shoppers
- 95** Use Broadway better - better entertainment facilities
- 96** Easier access bus park and ride / car parking / improve roads
- 98** Better city marketing / enclosed warm areas in city centre
- 99** Parking areas around Peterborough
- 100** Dangerous streets due to cars on Millfield, not wide enough for two way traffic
- 102** Improve environmental and sustainability initiatives at the heart of all development - become the environmental capital
- 103** Protection against river flooding required
- 104** Cycling facilities in city centre, including parking
- 105** Capitalise on historic buildings
- 109** Encourage people to live in city centre to develop cultural activity
- 111** Less talk more action
