## ISSUE NUMBER 26

# Easing of lockdown restrictions in England - reopening of further businesses

[Tell us about the impact on your business](#)

[COVID-19: support for businesses – updated 24 June 2020](#)

From Saturday 4 July 2020, all [businesses and venues in England can reopen](#), except for a small number of ‘Close proximity’ venues such as nightclubs, soft-play areas, indoor gyms, swimming pools, water parks, bowling alleys and spas, which will need to remain closed for now. The UK Government is continuing to work with these sectors to establish taskforces to help them to become COVID Secure and reopen as soon as possible.

Pubs, restaurants and hairdressers and accommodation sites will be able to reopen, providing they adhere to COVID Secure guidelines. Some leisure facilities and tourist attractions may also reopen, if they can do so safely – this includes outdoor gyms and playgrounds, cinemas, museums, galleries, theme parks and arcades.

[COVID Secure guides](#) cover a range of different types of work:

- Find the new hotel and guest accommodation guidance [here](#).
- Find the new close contact services (hairdressing, barber shops, beauty, nail bars, make up, tattooing, spray tanning, spas, sports and massage therapy, dress fitters, tailors, fashion designers) guidance [here](#).

### Change to the two-metre social distancing rule

From 4 July 2020, newly updated guidance recommends that you keep two metres away from people as a precaution or one metre when you can mitigate the risk by taking other precautions. Find the updated guidance and further details on mitigating risks [here](#).
